## **Google Apps for Education Terms and Conditions**

*It is a Google Apps for Education policy to request parental permission before user ids and passwords are issued to students and to communicate the school's terms and conditions of use.*

No student, or other participant, may include any information or images on the site that could compromise the safety of him/herself or other class members. Participants should avoid specific comments about our location or schedules, if they would be visible to outsiders.

All participants will be respectful in their postings and comments. No trash-talk, inappropriate language, personal insults, profanity, spam, racist, sexist or discriminatory remarks, or threatening comments will be tolerated.

All participants must protect their log-in and password information, as well as class passwords (if any). If participants suspect that a password has been compromised, they must notify the teacher immediately.

No participant may share his/her log-in information or protected information without parent and/or teacher approval.

Any participant who is aware of violations of this agreement by others must report these violations to the teacher immediately.

All use of these services must be in accordance with the previously signed Technology Agreement, including entries made from computers outside of school.

Use of copyrighted material without proper citations in any student work will be deemed as plagiarism and disciplined accordingly.

No posting or comment may facilitate or promote illegal activity, either overtly or by implication.

## **Consequences**

Any violation of the above terms and conditions may make the violator subject to both immediate termination from one or all of these services and/or additional disciplinary action. At the teacher's discretion, a warning may be given in the case of minor infractions.
